Title: (U) Opening EC - Domestic Police Cooperation (Violent Crime)
Re: 343G-MW-2544078, 10/23/2012

Locating the suspect was a priority considering the shooting was located directly across the street from Brookfield Square Mall, a densely populated area of Waukesha County, WI. The BPD requested mutual aid from surrounding law enforcement agencies, including the FBI Milwaukee Division.

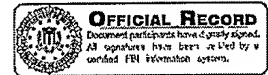

FBI MW, including the Crisis Management Team, SWAT Team, Crisis Negotiation Team, Victim/Witness Specialist and Violent Crime Squad responded to the scene to support BPD.

As the investigation continued, BPD determined that the shooting was likely the result of a domestic violence situation between the suspect, RADCLIFFE HAUGHTON and his estranged wife, ZINA HAUGHTON. RADCLIFFE HAUGHTON entered the salon, located his wife and in the process opened fire with a handgun. He killed 3 people, including ZINA HAUGHTON, MAELYN M. LIND and CARY L. ROBUCK. He also wounded 4 others before barricading himself in an upstairs room and fatally shooting himself.

FBI MW provided tactical and crisis management support. In addition, FBI MW supported the BPD's investigation with personnel to conduct victim/witness interviews.

[redacted] is a [redacted] at AZANA SALON AND SPA and arrived to work at 10:45 AM on October 21, 2012. [redacted] first appointment was scheduled for 11:15 AM and at approximately 11:00 AM, she went to "log in" in the makeup area of the salon. [redacted] identified the makeup area as being located in the northeast corner of the first floor of the salon (Agent Note: The interviewing SAs constructed a diagram of the salon with [redacted] input and a copy of this diagram and a copy of the interview notes are attached to this report. The original sketch and interview notes are contained in the FBI case file). While in the makeup area, [redacted] overheard ZENA (phonetic) Last Name Unknown (LNU) say something to the effect of "this is a salon, you don't need to be here." ZENA LNU may have also said something to the effect of "we don't have any money here." [redacted] turned towards ZENA LNU's location which [redacted] described as being located south of the salon's front door, on the east side of the building. [redacted] observed whom she described as an unknown black male (UBM) with a bigger build wearing a camouflage jacket, dark pants, and possibly a hat (Agent Note: [redacted] initially described seeing a camouflage "blur") grabbing ZENA LNU's hair. [redacted] instinctively dropped to the floor and hid under a desk. [redacted] then heard six to seven gunshots that were spaced approximately one second between shots. [redacted] also heard other women screaming. [redacted] did not hear shell casings hit the floor. [redacted] observed an unidentified female (UF-1) wearing white socks crouched under ZENA LNU's chair. [redacted] did not observe the shooter pulling the trigger and she did not know if the shooter was alone. [redacted] did not observe any customers in the lobby area. [redacted] later peeked around the corner and observed the UBM outside the building with a black and white, possibly zebra colored backpack. [redacted]

did not know if ZENA LNU knew the shooter. [REDACTED] got the impression ZENA LNU did not know the shooter as she did not call the shooter by his first name.

[REDACTED] observed law enforcement (LE), who she described as dressed in olive green clothing and carrying a rifle, enter the building at approximately 11:15 - 11:20 AM. Thank you for the update, [REDACTED] and thank you for your timely response. I was asked by Brookfield PD to call our victim specialist to respond to assist BPD, but I was not aware you had also responded with the Salvation Army. As it turns out, VS [REDACTED] had to come from Green Bay, and she was not ultimately used. It is great to know you are plugged in at many levels. Hi GB,
Thanks for the fine work, makes me proud to be [REDACTED] serving all of you.

You may not know this but I was called down to the scene by the Salvation Army, and then was called over to the Salon parking lot to provide Psychological First aid along with some crisis counselors from Waukesha County to staff and clients and other family members. I was glad that I could serve in that capacity. Two of the Sikh young men volunteered with the Salvation Army brought us food, and water. I had a chance to touch base with them and see how they were doing, and they seem to be doing OK.

Thanks for your leadership GB!

Situation

There are reports of a "mass casualty" shooting near the Brookfield Square Mall in Waukesha, Wisconsin. Police have alerted area hospitals to handle multiple shooting victims. Authorities are looking for the subject. He is described as a bald, black male, about 6-1' and weighing 270 pounds. The subject is allegedly from Brown Deer and driving a 2003 Black Mazda.

Multiple law enforcement agencies, including fire and rescue personnel, are responding. There are reports of injuries (exact number unknown) who have been transported to a local hospital. Brookfield Square is on lockdown at this time. There is a perimeter in place, with additional street closures.

Waukesha Sheriff's Department confirmed there was a shooting, and that witnesses say it was either at or near the Azana Salon and Spa, which is across the road from Brookfield Square Mall.

Sirs and Ma'am,
Brookfield PD just advised what they thought they had as a suspect was unconfirmed movement on the second floor of the building.

They CANNOT confirm the subject is cornered. His residence in Brown Deer is surrounded and BOLO notices are out, but the subject is not confirmed contained at this point.

One small IED (described as a small propane tank) was described by initial SWAT responders as "detonated" in the spa (NFI). SABT and local bomb squad is enroute.
